**Attorney General Griffin Praises Governor Sarah Huckabee Sanders for Pursuing Engagement with South Korea, Japan**

*Griffin: 'I appreciate the Governor's leadership in developing strong relationships that make strategic sense for our state and nation'*

**LITTLE ROCK** – Attorney General Tim Griffin released the following statement today in support of Governor Sarah Huckabee Sanders' recent trade delegation trip to east Asia:

“I applaud Governor Sanders' engagement with our Asian allies, especially South Korea and Japan. We share common values of freedom, democracy, free trade and security. These are precisely the sort of relationships the state should be building, as opposed to building relationships with foreign adversaries. I have been saying for years that Arkansas's economic engagement with China was a bad idea, and the results speak for themselves. I am excited for the opportunities that these new partnerships will bring to Arkansas, and I appreciate the Governor's leadership in developing strong relationships that make strategic sense for our state and nation.”
